AGE 2024 Preliminary Program

1:00 PM - 4:00 PM	June 2, 2024 Day 1 Afternoon – Nathan Shock Center Symposium (half-day).
	Trainee Roundtable organized by the Trainee Chapter.
	Welcoming reception and dinner buffet
7:30 PM - 9:00 PM	
7.30 FM - 3.00 FM	AFAR Cristofalo award presentation and talk
7.00 014 0.05 014	June 3, 2024 Day 2. Opening remarks. 2023 AGE President, Dudley Lamming, University of Wisconsin-Madison
7:30 AM - 8:25 AM	
	Opening Remarks: President, Dudley Lamming
8:30 AM - 10:00 AM	Session 1. Translational Insights in Aging Biology Chair: Rozalyn Anderson, Professor, UW-Madison
	Luigi Ferrucci, Scientific Director, NIA
	Talk selected from the abstracts
	Adam Salmon, Associate Professor, UTH SC SA
	Talk selected from the abstracts
	Birgit Schilling, Professor, Buck Institute
10:15 AM - 11:45 AM	Session 2. Gerotherapeautic Drugs, Exercise, and their interactions. Chairs: *Adam Konopka, Assistant Professor, UW-Madison
	Brittany Lasseigne, UAB
	Talk selected from the abstracts
	Nathan Lebrasseur, Mayo
	Talk selected from the abstracts
	Adam Konopka, Assistant Professor, UW-Madison
11:45 AM - 12:15 PM	Poster Pitches 1 (15 total)
12:15 PM - 1:45 PM	Lunch on Your Own
12:15 PM - 1:15 PM	Geroscience Journal Lunch (closed)
1:45 PM - 3:15 PM	Session 3. Neurodegeneration & Brain Aging. Chair: *Constanza Cortes, Assistant Professor, USC
	Sarah Hopp, Assistant Professor, UTHSCSA
	James Tyrell, UAB
	Constanza Cortes
	Rachel Arey, Assistant Professor, Baylor
	Talk selected from the abstracts
3:30 PM - 5:00 PM	Session 4. Immune-metabolic interactions in aging. Co-Chairs: Vishwa Deep Dixit, Professor, Yale, and *Emily Goldberg, Assistant Professor, UCSF
	Emily Goldberg, Assistant Professor, USCF
	Talk selected from the abstracts
	Max Artyomov, Professor, Washington University in St. Louis
	Talk selected from the abstracts
	Elsie Gonzalez-Hurtado, MD/PhD Candidate, Yale
5:15 PM - 7:15 PM	Poster session 1
	Trainee Mixer/Dinner

Sune 4, 2024 Day 3 2:00 AM - 5:00 AM Ferakhast 3:00 AM - 10:00 AM Keynote Address Dr. Catherine Kaccorowski, Professor, University of Michigan 10:00 AM - 12:15 PM Session 5, Amino acidigratein metabolismimetabolism Cristal Hill, Assistant Professor, University of Michigan "George Sutphin, Assistant Professor, University of Arizona Cristal Hill, Assistant Professor, University of Michigan "George Sutphin, Assistant Professor, University of Arizona Tak selected from the abstracts Anna Thalacker-Mercer, Assistant Professor, UN-Westing of Arizona Tak selected from the abstracts Judith Simcox, Assistant Professor, UW-Madison 12:15 PM - 12:45 PM Foster Priches 2 (15 steal) 10:00 PM - 2:30 PM Harman Award Lumb TBD 2:45 PM - 3:45 PM Session 5, Longwity biotech - panel presentation Co-chairs: "Jaminier Garrison, Assistant Professor, OMRF Panel Members David Stans, Kristin Forters, Martin Borsch-Jensen, Ashley Zehnder, Daily Robinton Mike Stout, Associate Professor, OMRF Ingrid Fetter Princed, Assistant Professor, Officer Inviersity Tak selected from the abstracts Jennifer Garrison, Assistant Professor, Buck Institute Jennifer Garrison 3:40 PM - 10:00 PM Trainee Data Bilitz Jennifer Garrison, Assistant Professor, Diviersity of Washington Tak selected from the abstracts Berenice Benayoun, Assistant Professor, University of Washington Tak selected from the abstracts Berenice Benayoun, Assistant Professor, The Ohio State University Daniel Bronnialow, Professor, University of Utah Tak selected from the abstracts Berenice Benayoun, Assistant Professor, The Ohio State University
9:00 AM - 10:00 AM 10:00 AM - 12:15 PM 10:00 A
10:00 AM - 12:15 PM Session & Amino acidignotes metabolismormetabolism Chair George Sutphin, Assistant Professor, University of Arizona Cristal Hill, Assistant Professor, UsC Scott Leiser, Assistant Professor, University of Michigan "George Sutphin, Assistant Professor, University of Arizona Talk selected from the abstracts Anna Thalacker-Mercer, Assistant Professor, UAB Intermission George Sutphin, Assistant Professor, UAB Intermission George Sutphin, Assistant Professor, UNIVERSITY OF Arizona Talk selected from the abstracts Judith Simcox, Assistant Professor, UNIVERSITY OF Arizona Talk selected from the abstracts Arizona State Professor, UNIVERSITY OF Arizona Talk selected from the abstracts Arizona State Professor, UNIVERSITY OF Arizona Talk Selected from the abstracts State Professor, UNIVERSITY OF Arizona Talk Selected from the abstracts Concentration of Co-chairs: "Jennifer Garrison, Assistant Professor, USC Marking Professor, University Of Marking Document Professor, Office Prant Members: David Class, Kinstin Professor, Martin Boroch-Jensen, Ashley Zehnder, Daisy Robinton Co-chairs: "Jennifer Garrison, Assistant Professor, Office Talk Selected from the abstracts Office Selected Francesca Guicana, Professor, Northwestern University Marking Office Selected from the abstracts Dennifer Garrison, Assistant Professor, Buck Institute Jennifer Garrison Selected from the abstracts Dennifer Garrison Assistant Professor, Northwestern University Office Arizona Dennifer Garrison Age Board Office Professor, Northwestern University Office Arizona Dennifer Garrison Age Board Office Professor, Northwestern University Office Arizona Dennifer Garrison Age Board Office Directors meeting (closed) Jane 5, 2024 Day 4 Dennifer Garrison Assistant Professor, University of Washington Talk selected from the abstracts Stephen Treaster, Postdoctoral Fellow, Boaton Children's Hospital Talk selected from the abstracts Berenice Benayoun, Assistant Professor, University of Utah Talk selected from the abstracts Maria Milaydova, As
Chair. "George Sutphin, Assistant Professor, University of Michigan "George Sutphin, Assistant Professor, USC Scott Leiser, Assistant Professor, University of Michigan "George Sutphin, Assistant Professor, University of Arizona Talk selected from the abstracts Anna Thalacker-Mercer, Assistant Professor, UAB Intermission George Sutphin, Assistant Professor, University of Arizona Talk selected from the abstracts Julith Simcox, Assistant Professor, UW-Madison Julith Session, Longevity Nicheb- panel presentation Co-chairs: "Lennifer Garrison, Assistant Professor, Book Institute and "Sarah Coanas, Assistant Professor, OMRF Panel Members: David Glass, Kristin Forters, Marin Borsch-Jensen, Ashley Zehnder, Daisy Robinton Co-chairs: "Sarah Coanas, Assistant Professor, OMRF and "Jose Isola, Postdoctoral Fellow, OMRF Mike Stout, Associate Professor, OMRF and "Jose Isola, Postdoctoral Fellow, OMRF Ingrid Fetter Pruneda, Assistant Professor, Morthwestern University Talk selected from the abstracts Julies Stout, Associate Professor, Buck Institute Jennifer Garrison Jennifer Garrison, Assistant Professor, Buck Institute Jennifer Garrison June 5, 2024 Day 4 June 6, 2024 Day 4 Session 9, Comparative Biology of Aging (New models) Chair: Kristin Gribble, Associate Scientist, Marine Biological Laboratory Session 9, Aging with cells, stem cells. Chair: Matthew Yousefzadeh, Assistant Professor, Columbia University Adam Hughes, Associate Professor, The Ohio State University Maria Mikaylova, Assistant Professor, The Ohio State University
Scott Leiser, Assistant Professor, University of Michigan "George Sutphin, Assistant Professor, University of Arizona Talk selected from the abstracts Anna Thalacker-Mercer, Assistant Professor, UAB Intermission George Sutphin, Assistant Professor, University of Arizona Talk selected from the abstracts Judith Simcox, Assistant Professor, UW-Madison 12-15 PM - 12-45 PM Poster Priche 2 / 15 fold) 11:00 PM - 2:30 PM Harman Award Lunch TBD 2-45 PM - 345 PM Session 6. Longevity blotech panel presentation Co-chairs: "Seminer Controls, Assistant Professor, Buck Institute and "Sarah Ocanas, Assistant Professor, OMRF Co-Chairs: "Seriah Ocanas, Assistant Professor, Buck Institute and "Sarah Ocanas, Assistant Professor, OMRF Co-Chairs: "Sarah Ocanas, Assistant Professor, OMRF and "Jose Isola, Postfoctoral Fellow, OMRF Mike Stout, Associate Professor, OMRF Ingrid Fetter Pruneda, Assistant Professor, National Autonomous University of Mexico Francesca Duncan, Professor, Onthewstern University Talk selected from the abstracts Jennifer Garrison, Assistant Professor, Buck Institute Jennifer Garrison 5-45 PM - 7-45 PM Poster Session 2 Jennifer Garrison, Assistant Professor, Buck Institute Jennifer Garrison 5-45 PM - 1-000 PM Trainee Data Biltz AGE Board of Directors meeting (closed) June 5, 2024 Day 4 Professor, University of Washington Talk selected from the abstracts Stephen Treaster, Postdoctoral Fellow, Boston Children's Hospital Talk selected from the abstracts Berenice Benayoun, Assistant Professor, USC Session 9. Aging with cells, stem cells. Chair: "Matthew Yousefzadeh, Assistant Professor, Columbia University Adam Hughes, Associate Professor, University of Utah Talk selected from the abstracts Maria Mihaylova, Assistant Professor, The Ohio State University Maria Mihaylova, Assistant Professor, The Ohio State University
Anna Thalacker-Mercer, Assistant Professor, UAB Intermission George Sutphin, Assistant Professor, University of Arizona Talk selected from the abstracts Judith Simcox, Assistant Professor, UW-Madison 12:15 PM - 12:45 PM Poster Pitches 2 (15 fotal) 1:00 PM - 2:30 PM Farman Award Lunch TBD 2:45 PM - 3:45 PM Session 6. Longevity biotech - panel presentation Co-chairs: "Jennifer Garrison, Assistant Professor, Buck Institute and "Sarah Ocanas, Assistant Professor, OMRF Penel Members: David Glass, Kristin Ferrotes, Martin Borsch-Jensson, Ashistant Professor, Buck Institute and "Sarah Ocanas, Assistant Professor, OMRF Penel Members: David Glass, Kristin Ferrotes, Martin Borsch-Jensson, Ashiev, Zehnder, Dalsy Robinton 4:00 PM - 5:30 PM Session 7. Trainee Session: Reproductive Aging Co-Chairs: "Sarah Ocanas, Assistant Professor, OMRF and "Jose Isola, Postdoctoral Fellow, OMRF Mike Stout, Associate Professor, OMRF Ingrid Fetter Pruneda, Assistant Professor, National Autonomous University of Mexico Francesco Duncan, Professor, Northwestern University Talk selected from the abstracts Jennifer Garrison, Assistant Professor, Buck Institute Jennifer Garrison 5:45 PM - 7:45 PM Poster Session 2 8:00 PM - 10:00 PM Trainee Data Blitz AGE Board of Directors meeting (closed) June 5, 2024 Day 4 Professor, University of Washington Talk selected from the abstracts September Treaster, Postdoctoral Fellow, Boston Children's Hospital Talk selected from the abstracts September Treaster, Postdoctoral Fellow, Boston Children's Hospital Talk selected from the abstracts Berenice Benayoun, Assistant Professor, USC Berenice Benayoun, Assistant Professor, University of Utah Talk selected from the abstracts Maria Mihaylova, Assistant Professor, The Ohio State University Maria Mihaylova, Assistant Professor, The Ohio State University
Anna Thalacker-Mercer, Assistant Professor, UAB Intermission George Sutphin, Assistant Professor, University of Arizona Talk selected from the abstracts Judith Simcox, Assistant Professor, UW-Madison Judith Simcox, Assistant Professor, USC Judith Simcox, Assistant Professor, OMRF Panel Members: David Glass, Kristin Fortney, Martin Borsch-Jensen, Ashley Zehnder, Daisy Robinton Jenein Professor, Company Martin Borsch-Jensen, Ashley Zehnder, Daisy Robinton Jenein Professor, OMRF Action Professor, OMRF Ingrid Fetter Pruneda, Assistant Professor, National Autonomous University of Mexico Francesca Duncan, Professor, Northwestern University Talk selected from the abstracts Jennifer Garrison, Assistant Professor, Buck Institute Jennifer Garrison June 5, 2024 Day 4 June 6, 2024 Day 4 June 6, 2024 Day 4 June 7, 200 DM Trainee Data Bitt Age Board of Directors meeting (closed) June 7, 200 DM Trainee Data Bitt Age Board of Directors meeting (closed) June 8, 2024 Day 4 June 9, 2024 Day 4 June 9, 2024 Day 4 June 9, 2024 Day 4 June 1, 200 DM Trainee Data Bitts Stephen Treaster, Postochocrafe Fellow, Boston Children's Hospital Talk selected from the abstracts Stephen Treaster, Postochocrafe Fellow, Boston Children's Hospital Talk selected from the abstracts Maria Minaylova, Assistant Professor, University of Utah Talk selected from the abstracts Maria Minaylova, Assistant Professor, The Ohio State University
Intermission George Sutphin, Assistant Professor, University of Arizona Talk selected from the abstracts Judith Simcox, Assistant Professor, UW-Madison Jucith Pines 2 (15 fotal) Judith Simcox, Assistant Professor, UW-Madison Judith Simcox, Assistant Professor, OMRF Judith Simcox, Assistant Professor, OMRF and *Jose Isola, Postdoctoral Fellow, OMRF Mike Stout, Associate Professor, OMRF Judith Simcox, Assistant Professor, National Autonomous University of Mexico Francesca Duncan, Professor, Northwestern University Talk selected from the abstracts Jennifer Garrison, Assistant Professor, Buck Institute Jennifer Garrison June 5, 2024 Day 4 June 6, 2024 Day 4 June 7, 200 AM - 10.00 AM Frakistat Session 8. Comparative Biology of Aging (New models) Chair. Kristin Gribble, Associate Scientist, Marine Biological Laboratory Daniel Promislow, Professor, University of Washington Talk selected from the abstracts Stephen Treaster, Postochcoral Fellow, Boston Children's Hospital Talk selected from the abstracts Maria Minaylova, Assistant Professor, University of Utah Talk selected from the abstracts Maria Minaylova, Assistant Professor, The Ohio State University
George Sutphin, Assistant Professor, University of Arizona Talk selected from the abstracts Judith Simcox, Assistant Professor, UW-Madison 12-15 PM - 12-45 PM Poster Pitches 2 (15 total) 1:00 PM - 2:30 PM Harman Award Lunch TBD 2-45 PM - 3:45 PM Session 6, Longevity biotech - panel presentation Co-chairs: Venniter Garrison, Assistant Professor, Buck Institute and Sarah Ocanas, Assistant Professor, OMRF Panel Members: David Glass, Kristin Fortney, Martin Borsch-Jensen, Ashley Zehnder, Dabisy Robinton 4:00 PM - 5:30 PM Session 7, Traines Session: Reproductive Aging Co-Chairs: "Sarah Ocanas, Assistant Professor, OMRF and *Jose Isola, Postdoctoral Fellow, OMRF Mike Stout, Associate Professor, OMRF Ingrid Fetter Pruneda, Assistant Professor, National Autonomous University of Mexico Francesca Duncan, Professor, Northwestern University Talk selected from the abstracts Jennifer Garrison, Assistant Professor, Buck Institute Jennifer Garrison 5:45 PM - 7:45 PM Poster Session 2 Sension 3 AGE Board of Directors meeting (closed) June 5, 2024 Day 4 7:30 AM - 8:30 AM Breakfast Session 8. Comparative Biology of Aging (New models) Chair: Kristin Gribble, Associate Scientist, Marine Biological Laboratory Daniel Promisiow, Professor, University of Washington Talk selected from the abstracts Stephen Treaster, Postdoctoral Fellow, Boston Children's Hospital Talk selected from the abstracts Stephen Treaster, Postdoctoral Fellow, Boston Children's Hospital Talk selected from the abstracts Maria Mihaylova, Assistant Professor, University of Utah Talk selected from the abstracts Maria Mihaylova, Assistant Professor, University of Utah Talk selected from the abstracts Maria Mihaylova, Assistant Professor, The Ohio State University
Talk selected from the abstracts Judith Simcox, Assistant Professor, UW-Madison 12:15 PM - 12:45 PM Poster Priches 2 (15 total) 1:00 PM - 2:30 PM Harman Award Lunch TBD 2:45 PM - 3:45 PM Session 6. Longevity biotech - panel presentation Co-chairs: 'Islanifer Garrison, Assistant Professor, Buck Institute and 'Sarah Ocanas, Assistant Professor, OMRF Panel Members: David Glass, Kristin Fortney, Martin Borsch-Jensen, Ashley Zehnder, Daisy Robinton 4:00 PM - 5:30 PM Session 7. Trainee Session: Reproductive Aging Co-Chairs: 'Sarah Ocanas, Assistant Professor, OMRF and 'Jose Isola, Postdoctoral Fellow, OMRF Ingrid Fetter Pruneda, Assistant Professor, National Autonomous University of Mexico Francesca Duncan, Professor, Northwestern University Talk selected from the abstracts Jennifer Garrison, Assistant Professor, Buck Institute Jennifer Garrison 3:45 PM - 7:45 PM Poster Session 2 8:00 PM - 10:00 PM Trainee Data Blitz AGE Board of Directors meeting (closed) June 5, 2024 Day 4 7:30 AM - 8:30 AM Breakfast Session 8. Comparative Biology of Aging (New models) Chair: Kristin Gribble, Associate Scientist, Marine Biological Laboratory Daniel Promislow, Professor, University of Washington Talk selected from the abstracts Stephen Treaster, Postdoctoral Fellow, Boston Children's Hospital Talk selected from the abstracts Derenice Benayoun, Assistant Professor, University of Utah Talk selected from the abstracts Berenice Benayoun, Assistant Professor, University of Utah Talk selected from the abstracts Maria Mihaylova, Assistant Professor, University of Utah Talk selected from the abstracts Maria Mihaylova, Assistant Professor, University of Utah Talk selected from the abstracts
Judith Simcox, Assistant Professor, UW-Madison 12:15 PM - 12:45 PM Poster Pitches 2 (15 total) 1:00 PM - 2:30 PM Harman Award Lunch TBD 2:45 PM - 3:45 PM Session 6. Longevity biotech - panel presentation Co-chairs: - Vennifer Garrison, Assistant Professor, Buck Institute and *Sarah Ocanas, Assistant Professor, OMRF Panel Members: David Olass, Kristin Fortessor, Guk Institute and *Sarah Ocanas, Assistant Professor, OMRF Panel Members: David Olass, Kristin Fortessor, OMRF and *Jose Isola, Postdoctoral Fellow, OMRF 4:00 PM - 5:30 PM Session 7. Trainee Session: Reproductive Aging Co-Chairs: *Sarah Ocanas, Assistant Professor, OMRF and *Jose Isola, Postdoctoral Fellow, OMRF Mike Stout, Associate Professor, OMRF Ingrid Fetter Pruneda, Assistant Professor, National Autonomous University of Mexico Francesca Duncan, Professor, Northwestern University Talk selected from the abstracts Jennifer Garrison, Assistant Professor, Buck Institute Jennifer Garrison 5:45 PM - 7:45 PM Poster Session 2 8:00 PM - 10:00 PM Trainee Data Blitz AGE Board of Directors meeting (closed) June 5, 2024 Day 4 Breakfast Session 8. Comparative Biology of Aging (New models) Chair: Kristin Gribble, Associate Scientist, Marine Biological Laboratory Daniel Promislow, Professor, University of Washington Talk selected from the abstracts Stephen Treaster, Postdoctoral Fellow, Boston Children's Hospital Talk selected from the abstracts Berenice Benayoun, Assistant Professor, University of Utah Talk selected from the abstracts Berenice Benayoun, Assistant Professor, University of Utah Talk selected from the abstracts Maria Mihaylova, Assistant Professor, University of Utah Talk selected from the abstracts Maria Mihaylova, Assistant Professor, The Ohio State University
12:15 PM - 12:45 PM Poster Pitches 2 (15 total) 1:00 PM - 2:30 PM Harman Award Lunch TBD 2:45 PM - 3:45 PM Session 8. Longevity biotech - panel presentation Co-chairs: "Jennifer Garrison, Assistant Professor, Buck Institute and "Sarah Ocanas, Assistant Professor, OMRF Panel Members: David Glass, Kristin Crothey, Martin Barrosh-Jensen, Ashley Zehnder, Daisy Robinton 4:00 PM - 5:30 PM Session 7. Trainee Session: Reproductive Aging Co-Chairs: "Sarah Ocanas, Assistant Professor, OMRF and "Jose Isola, Postdoctoral Fellow, OMRF Mike Stout, Associate Professor, OMRF Ingrid Fetter Pruneda, Assistant Professor, National Autonomous University of Mexico Francesca Duncan, Professor, Northwestern University Talk selected from the abstracts Jennifer Garrison, Assistant Professor, Buck Institute Jennifer Garrison 5:45 PM - 7:45 PM Poster Session 2 8:00 PM - 10:00 PM Tainee Data Blitz AGE Board of Directors meeting (closed) June 5; 2024 Day 4 7:30 AM - 8:30 AM Breakfast 8:30 AM - 10:00 AM Session 8. Comparative Biology of Aging (New models) Chair: Kristin Gribble, Associate Scientist, Marine Biological Laboratory Daniel Promislow, Professor, University of Washington Talk selected from the abstracts Stephen Treaster, Postdoctoral Fellow, Boston Children's Hospital Talk selected from the abstracts Berenice Benayoun, Assistant Professor, University of Utah Talk selected from the abstracts Berenice Benayoun, Assistant Professor, University of Utah Talk selected from the abstracts Maria Mihaylova, Assistant Professor, University of Utah Talk selected from the abstracts Maria Mihaylova, Assistant Professor, The Ohio State University
1:00 PM - 2:30 PM Harman Award Lunch TBD 2:45 PM - 3:45 PM Session 6. Longevity biotech - panel presentation Co-chairs: Vennifer Garrison, Assistant Professor, Buck Institute and "Sarah Ocanas, Assistant Professor, OMRF Panel Members: David Glass, Kristin Fortney, Martin Borsch-Jensen, Ashley Zehnder, Daisy Robinton 4:00 PM - 5:30 PM Session 7. Trainee Session: Reproductive Aging Co-Chairs: "Sarah Ocanas, Assistant Professor, OMRF and "Jose Isola, Postdoctoral Fellow, OMRF Mike Stout, Associate Professor, OMRF Ingrid Fetter Pruneda, Assistant Professor, National Autonomous University of Mexico Francesca Duncan, Professor, Northwestern University Talk selected from the abstracts Jennifer Garrison, Assistant Professor, Buck Institute Jennifer Garrison 5:45 PM - 7:45 PM Poster Session 2 8:00 PM - 10:00 PM Trainee Data Blitz AGE Board of Directors meeting (closed) June 5, 2024 Day 4 7:30 AM - 8:30 AM Breakfast Session 8. Comparative Biology of Aging (New models) Chair: Kristin Gribble, Associate Scientist, Marine Biological Laboratory Daniel Promislow, Professor, University of Washington Talk selected from the abstracts Stephen Treaster, Postdoctoral Fellow, Boston Children's Hospital Talk selected from the abstracts Berenice Benayoun, Assistant Professor, USC Session 9. Aging with cells, stem cells. Chair: "Matthew Yousefzadeh, Assistant Professor, Columbia University Maria Mihaylova, Assistant Professor, University of Utah Talk selected from the abstracts Maria Mihaylova, Assistant Professor, The Ohio State University
2:45 PM - 3:45 PM Session 6. Longevity biotech - panel presentation Co-chairs: Vennifer Garrison, Assistant Professor, Buok Institute and "Sarah Ocanas, Assistant Professor, OMRF Panel Members: David Glass, Kristin Fortney, Martin Borsch-Jensen, Ashley Zehnder, Dalsy Robinton 4:00 PM - 5:30 PM Session 7. Trainee Session: Reproductive Aging Co-Chairs: "Sarah Ocanas, Assistant Professor, OMRF and "Jose Isola, Postdoctoral Fellow, OMRF Mike Stout, Associate Professor, OMRF and "Jose Isola, Postdoctoral Fellow, OMRF Ingrid Fetter Pruneda, Assistant Professor, National Autonomous University of Mexico Francesca Duncan, Professor, Northwestern University Talk selected from the abstracts Jennifer Garrison, Assistant Professor, Buck Institute Jennifer Garrison 5:45 PM - 7:45 PM Poster Session 2 8:00 PM - 10:00 PM Trainee Data Blitz AGE Board of Directors meeting (closed) June 6, 2024 Day 4 Breakfast 8:30 AM - 10:00 AM Session 8.
